Question: In what ways is repentance painful? How does it lead to restoration?

Read: 1 Peter 5:10-11

Question: What are your thoughts on these verses? What does it mean to be “restored”?

Question: Do you ever feel as if there are certain parts of your life beyond restoration? Could that be true? (Unsure? Check out: 1 John 1:8-10; Revelation 2:1-7; John 15:5-8; Romans 8:1-4)

Question: In what ways do you need restoration?

Read: Romans 4:15-25

Question: How is this the ultimate restoration?

Question: Can you have faith without repentance? How about repentance without faith?

Question: Is repentance a good thing or a bad thing? How does God view it?

Pray: Pray for repentant attitudes and repentant hearts that lead to restoration! If anyone shares anything specific, pray for them as a group or as individuals as you see fit with your group.
